Choices of content

- Content
- Available in English

Graphical choices

- Graphic charter

Technical choices

- Responsive and dynamic
- PHP
- Framework

Ergonomic choices

The screenshot displays a web application interface for M.C.N. (Médiation Culturelle et Numérique). The top navigation bar includes the M.C.N. logo, a search bar, and links to Home, Architecture, Travellers, and Timeline. The main content area features a vertical timeline titled "Edification of the Giralda". The timeline consists of a central vertical line with yellow circular markers. To the left of the line, a grey box contains the year "1503" and the text "The beginning of the golden age, the city of Seville obtained a monopoly on trade with the newly discovered Indies". To the right of the line, a grey box contains the date range "??/08/1247 – 23/11/1248" and the text "Siege of Seville by Ferdinand III of Castille". Below this, another grey box on the right contains the date "20/08/1503" and the text "Creation of the 'Casa de Contratación' by Isabella I of Castile.". At the bottom, a grey box on the left contains the year "1785" and the text "Creation of 'Archivo General de Indias'". A blue circular button with an upward arrow is located in the bottom right corner of the timeline area.
